

VSP Technologies is a leading supplier and fabricator of fluid sealing products and engineering support services.

Since 1979, VSP has earned a reputation for engineering, product development, applications assistance, and fabrication of high quality fluid sealing products.

## VSP Technologies Company Profile

### Fabrication:

- Four CNC Controlled Atom flash cutters
- Two Atom Flex-Cut machines
- Large diameter gaskets-one piece, dovetailed, or fusion bonded (welded)
- One Artios CAD driven gasket cutter
- Fabrication of special cut ring packing sets
- Chevron vee ring packing sets
- Die cut gaskets
- Precision Spiral Wound Gasket Manufacturing
- Certified ASME Stud Supply Program

### Technical Expertise:

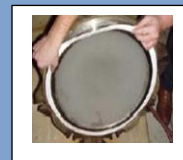

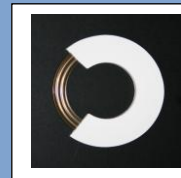

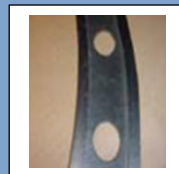

- Ten Engineers on staff (Four Six-Sigma trained)
- Engineering/Application assistance
- Gasket design, application analysis, flange analysis
- Comprehensive Fluid Sealing Management Program
- Valve and expansion joint surveys
- Product and installation training
- Storeroom Surveys
- Trouble Shooting

### Services

- 24/7 After hours, Emergency services
- Store management/inventory reduction
- Productivity identification program
- Supplier Partnering
- EDI Purchasing

Some of VSP's Patented & Specialty Products

## CONTACT LIST

### Customer Service:

- Robbie Riggs**, Director Industrial Strategic Accounts, Tel: 866-901-0013
- Cameron Milton**, Inside Sales Manager, Tel: 804-518-4984
- Sheri Hamilton**, Inside Sales, Tel: 866-901-0010
- Kim Blaha**, Inside Sales, Tel: 866-901-0019
- Ginger Hayden**, Inside Sales, Tel: 866-901-0009
- Cory Barrett**, Inside Sales, Tel: 866-901-0028
- Seth Hanson**, Inside Sales, Tel: 804-518-4988
- Christina Dowdy**, Inside Sales, Tel: 804-518-4987
- Debbie Schraner**, Purchasing, Tel: 804-668-1022
- Kelly Benton**, Business Director, Tel: 866-901-0011

### Engineering

- Jerry Waterland**, V.P. Sales & Engineering, Tel: 866-901-0016
- Robbie Riggs**, Mechanical Engineer, Tel: 866-901-0013
- Brian O'Donnell**, Marine Engineer, Tel: 866-901-0020
- Jim Frew**, Nuclear Engineer, Cell: 423-360-2979
- Dan Reid**, Mechanical Engineer, Tel: 281-354-3032
- Steve Benet** Product & Applications Engineer, Cell: 281-881-1912
- Anita Bausman, P.E.**, Mechanical Eng. Cell: 423-354-0693
- Erin Enright**, Product & Applications Engineer, Cell: 225-324-3889
- Tim Heartwell**, Mechanical Engineer, Tel: 804-541-0812

### Contract & Support Services

- Charles Darnell**, Sealing Specialist, Tel: 423-229-1247
- Mike Fitzpatrick**, Site Service Tech. Tel: 423-863-6423
- John Winn**, Sealing Specialist, Cell: 804-586-5859
- William Cooper**, Contract Support Specialist, Tel: 804-541-0812

### Quality

- Ed Burton**, Quality Manager, Tel: 800-334-6013

### VSP Corporate

8140 Quality Drive  
Prince George, VA 23875  
Toll Free: 800-334-6013

### N.E. Tenn. Region

100 Eastman Road  
Kingsport, TN 37660  
Tel: 423-229-2404

### Gulf Coast Region Locations

1403 North Park Dr. Kingwood, TX 77339 Tel: 423-229-2404	803 Mossy Oak Ave. Baton Rouge, LA 70810 Tel: 225-324-3889

**VSP Technologies maintains an extensive inventory of Premium, Brand-Name Fluid Sealing Products:**

**Gasketing Products:**

**Garlock®:** Gylon®, Blue-Gard®, IFG®, HTC®, Hochdruck®, Graph-Lock®  
**Garlock® Metallic Gaskets:** EDGE® & FLEXSEAL® spiral wounds, Graphonic®, Double-Jacketed  
**Flexitallic®:** Spiral wound gaskets, SIGMA™, Thermiculite™  
**GORE-TEX®:** Joint Sealant, GR Sheet, Series 300 & 600 Tape, UPG  
**Inertex®:** Joint Sealant, SQ-S® Sheet, 80" x 80" sheet, EZ-Seal insertable gaskets  
**LEADER:** Elastagraph®, Spiral Wound Gaskets  
**Thermoseal®:** Klinger Compressed Non-Asbestos sheet, Milam®  
**Graftech:** Homogeneous and reinforced Grafoil® styles  
**Teadit:** Spiral Wound Gaskets, Style 913QS- Anti-Buckling,  
**VSP Specialty Products:** Inpherno®, CYCLETIGHT® & PITA® gaskets, LTC & OPRA™, LOADLOCK™  
**West America Rubber Company:** Premium Elastomer Sheet, Peroxide Cured EPDM  
**Thermodyne:** Premium Dupont Specification VITON®

**Compression Packing:**

**Garlock®:** All styles of premium, commercial and Mil-Spec valve and pump packing  
**GORE-TEX®:** GFO® & Sequel® packings, Valve Stem Packing  
**American Braiding:** All styles of premium, commercial and Mil-Spec valve and pump packing  
**EGC Enterprises:** Thermabraid®  
**SEPCO®:** All styles of premium, commercial and Mil-Spec valve and pump packing  
**Teadit:** Compression valve stem and pump packing  
**American Packing:** All styles of premium, commercial and Mil-Spec valve and pump packing

**Mechanical Seals:**

**AESSeal:** Engineered Cartridge & Component Seals  
**U.S. Seal:** Mechanical Seals

**Non-Metallic Bearings:**

**Thordon:** Non-Metallic, polymer & composite bearings for Industrial and Marine applications

**Specialty Fasteners:**

**VSP:** Torque-Kit™  
**Superbolt®:** Specialty bolts

**Bearing Isolators and Radial Seals:**

**Isomag®:** Magnum-C, Magnum-S Magnetic Face Bearing Isolators  
**Garlock®:** Isogard® Bearing Isolators, Klozure® oil seals, Guardian™ Bronze Isolator  
**AES:** Magnetic and Labyrinth bearing isolators

**Hydraulic Components:**

**Garlock®:** Chevron®, Urethane "U" seals, Combination Sets  
**American Packing & Gasket:** O-Rings  
**GBSA:** O-Rings, Extruded Rubber Seals

**Expansion Joints:**

**Garlock®:** Standard & Engineered rubber  
**UnaFlex:** Metallic, bellows expansion joints  
**Hosemaster:** Standard and Engineered Metallic Expansion Joints  
**Frenzelit:** Expansion Joints

**Rotating Equipment Reliability Components:**

**Trico:** Bulls-Eye Sight Gauges, Watchdog® Oilers and Oil Dryers, Oil-Safe® Products
