No Gasket Change Out Needed Between 5 Year Periodic Hydro Testing

New

5 Years, No Leaks

5 Year, Close Up

Hydro2Hydro® Service Life Reliability Achieved Through

- 1 Optimal gasket selection based on chemical compatible, sealing stress requirements, and mechanical integrity
- 2 High tightness gasket materials provide long-term leak free reliability
- 3 Retorque eliminated through VSP's patented torque-holding materials maintaining fastener preload
- 4 Assembly instructions included with every gasket ensures consistency and reliability across fleets
