

Engineered Sealing Solutions

Product Lines, Markets, Engineering Services

SERVICES

VSP Technologies is uniquely positioned as a sealing products manufacturer, fabricator, supplier, and technical resource. Engineers and Support Specialists bring engineering and industry standards together to build solutions that result in documented cost savings for our clients.

VSP has developed proven sealing management processes to help clients optimize the safety and performance of their sealing products.

PRODUCT LINES

As one of the country's largest, most diversified fluid-sealing distributors, VSP maintains one of the most comprehensive inventories available anywhere

Gasketing Products

- ▶ DuPont™
- ▶ Garlock®
- ▶ Gore®
- ▶ Graftech
- ▶ Inertex®
- ▶ Klinger
- ▶ SGL Polycarbon
- ▶ Teadit®
- ▶ Thermodyn Corp.
- ▶ Thermoseal
- ▶ Flexitallic®

Hose Assemblies

- ▶ Hosemaster
- ▶ Precision
- ▶ Resistoflex
- ▶ Texcel
- ▶ Kuriyama
- ▶ United Flexible
- ▶ Wilcox

Expansion Joints

- ▶ Garlock®
- ▶ Hosemaster
- ▶ Unaflex

Specialty Fasteners

- ▶ VSP Torq-Kits™

Hydraulic Seals

- ▶ Garlock®

Rotating Equipment Reliability Components

- ▶ Trico
- ▶ Des-Case

Mechanical Seals

- ▶ AESSeal®
- ▶ Sepco®
- ▶ U.S. Seal MFG

Compression Packing

- ▶ American Braiding
- ▶ EGC Enterprises
- ▶ Garlock®
- ▶ Gore-GFO®
- ▶ Sepco®
- ▶ Teadit®

Bearing Isolators/ Radial Seals

- ▶ AESSeal®
- ▶ Garlock®
- ▶ Isomag®

O-Rings

- ▶ Chemours™ - Viton™
- ▶ DuPont™ Kalrez®
- ▶ Freudenburg - Simriz®
- ▶ Green Tweede - Chemraz®
